## Bashed-up Bob's BATTLING BACK!

**G**AME show legend Bob Barker is bruised, battered and heavily bandaged after a terrible collapse near his home! The National ENQUIRER obtained these world exclusive photos of the 91-year-old "The Price Is Right" star, who toppled over on the Hollywood Hills sidewalk and was rushed to the hospital by nearby police officers. While friends feared the stumbling star may have had a stroke, he now appears to be taking the first steps to recovery.

**M**OVIE legends Jack Nicholson and Al Pacino can't handle the truth — their 40-year war over roles has close friends throwing up their hands in disgust!

The Oscar-winning stars just won't "let it go," even though their original falling-out occurred in the '70s!

"They refuse to patch things up, despite the efforts of mutual pals Warren Beatty and Martin Scorsese," an insider told The National ENQUIRER.

The never-ending nastiness boiled over again with Jack's appearance on the 40th anniversary primetime special of "Saturday Night Live" earlier this year.

"Jack agreed to be on the prime-time special — but there was a condition that

Al would NOT be invited," revealed the source.

"Jack still resents Al after all these years. It's really sad that these old guys can't be in the same room together."

According to industry sources, the rivalry started when the two rising stars were com-

peting for the same roles.

"Jack was initially offered the part of Michael Corleone in 'The Godfather' and stupidly turned it down to do 'The King of Marvin Gardens,' which flopped," said another source.

"No one, not even Jack, could have predicted how

huge 'The Godfather' franchise would become and how crucial the role would be ... Jack always felt that Al had an easy ride, thanks to (Jack's) decision not to take the part.

"But Jack's still upset that Al's never thanked him, or recognized that fact!

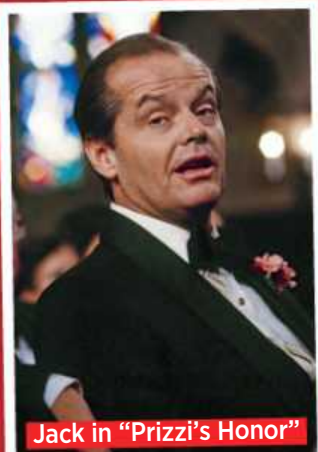

"It's an unwritten Hollywood rule to acknowledge a fellow actor for an opportunity," continued the source.

"For instance, Angelina Jolie has always been grateful to Nicole Kidman for turning down 'Mr. & Mrs. Smith.'

"Jack later got his 'Godfather' revenge, taking the starring role in 'Prizzi's Honor,' a part Al wanted, and getting an Oscar nomination for it."

But there seems to be no end in sight for the long and bitter cold war between the big-screen legends, disclosed the source.

"Some major players have wound up caught in the middle of this star war," the source added. "They've tried to broker peace, but sadly, this old grudge looks like it will be going to the grave." **NE**

Oprah shunned Calvin after the ENQUIRER arranged a reunion as she left a recording of "The Late Show." She has snubbed him since trying to adopt him back in the '90s

**NOW**

## She's rejected chances to meet Calvin **OVER & OVER AGAIN**

**O**PRAH Winfrey has been caught spinning the truth about her "secret son" after their heartbreaking reunion was reported by The National ENQUIRER!

In a bombshell exclusive, we detailed how the media mogul tried to adopt Calvin Mitchell in the '90s, but then coldly abandoned him when he failed to live up to her high standards.

The TV titan confirmed in a recent interview with "Entertainment Tonight" that she became devoted to Calvin when he was just 11 and approached her on a Chicago movie set.

But Oprah told "ET" that she decided against meeting with Calvin, now 35, because The ENQUIRER had arranged their reunion outside a New York City theater on Oct. 15.

But that's miles from the truth!

Oprah, 61, conveniently failed to tell "ET" that she's repeatedly brushed off Calvin over the years!

Back in 2009, the suicidal Illinois truck driver managed to approach Oprah when she sponsored a free concert along Chicago's Michigan Ave.

After he slipped through security, Oprah told Calvin to give his phone number to one of her bodyguards.

He did, but Oprah never

called him! After that, Calvin left repeated messages for the talk show queen at her Harpo Studios. But she continued to snub him.

Finally, Calvin came to The ENQUIRER, hoping to ask Oprah why she severed ties with him when he was just 17 and attending a private school, for which Oprah was paying the fees before he began to feel homesick and dropped out.

"The only reason I went to the media was because it was the only way I could get her attention," the father of two admitted.

"I wanted to ask Oprah, 'Why did you leave me? Why did you leave me?'"

Oprah, however, painted a far different picture to "ET" on Oct. 29, describing how she generously helped out Calvin and his family, but he refused to accept the education she offered him.

But the truth is hard-nosed Oprah coldly snubbed him once again, citing Calvin's appeal to The ENQUIRER as an excuse to abandon him yet again!

In another heartbreak for tragic Calvin, Oprah's father, Vernon Winfrey, has also shunned his "secret grandson."

"I'm all right if I don't meet him," Vernon told The ENQUIRER. "It doesn't matter!" **NE**

# LEAH'S DI TERRA

**S**ITCOM star Leah Remini rips into Scientology in a revenge-filled memoir — and discloses how a punishment ordered by a cult official almost killed her in a twisted drowning incident!

The shocking claim is contained in the bombshell-filled new book by the “King of Queens” actress, “Troublemaker: Surviving Hollywood and Scientology,” which The National ENQUIRER obtained.

In addition to recounting tales of child abuse, stalking and sexual harassment at the hands of the secretive cult, Leah claims she was thrown from a boat when she was a teen!

Leah, now 45, once led a crew of “Sea Org” members cleaning the rooms at the Scientology-run Sandcastle Hotel in Florida, and headed to the hotel pool to relax once the job was done, according to the book.

When a Scientology bigwig saw her sunning by the pool, he ordered her to the nearby marina and took her out to sea.

Then he threw her overboard into the ocean!

Leah desperately treaded water, a victim of a church practice known as “overboard-

In a room similar to this, Leah said her Scientology quarters were infested with roaches

ing” — “which entails throwing a crew member overboard as a form of reprimand,” according to the actress.

“Soaking wet and humiliated,” the nearly drowned teen was finally allowed back into the boat.

**IN ANOTHER** shocker, Leah said she was threatened with being put into the “Rehabilitation Project Force” after another cult member accused her of “heavy petting” with a boyfriend.

A “code red” was declared on her and two security officers burst into her dorm room — leaving Leah terrified!

Leah also said her sister Nicole was harassed by an older male church member, who commented on the size of her breasts during one “training routine.”

What’s more, to her dismay, Leah’s baby half-sister, Shannon, was left in a filthy, insect-infested motel room when their mother left for Scientology work each day.

The room, she wrote, was filled with cribs full of “crying, neglected babies, flies and the smell of dirty diapers” with little ventilation.

**ON ONE OCCASION**, Leah, then 15, went to check on little Shannon during her lunch break — and found Shannon “crying and soaked with urine in her crib.”

Leah also said the Scientology dorm room in which she stayed with Nicole was so infested with roaches that she learned to turn the lights on “and wait for them to scatter” before she would jump into her bed.

The girls were paid just \$15 a week to clean rooms, and subsisted on a diet of rice and beans and “liquid eggs.”

In a response to Leah’s claims, the church said, “It comes as no surprise that someone as self-absorbed as Leah Remini with an insatiable craving for attention would exploit her former religion ... She is rewriting history.”

But Leah said she blew \$5 million of her fortune on Scientology before severing ties with the church in 2013, ending a 37-year nightmare.

## Cruise’s rage over A CHIPPED MUG!

**S**CIENTOLOGY “god” Tom Cruise screamed at his assistants on one occasion when he couldn’t find the ingredients to make cookies — and once threw a hissy fit when he was given tea in a chipped mug, according to Leah Remini’s scathing new book, “Troublemaker.”

“Do you know who gets served with a mug that’s chipped?” Tom screamed, according to the book.

“F\*\*\*\*\*g DBs!” — a reference to the Scientology term “Degraded Being.”

Leah also rips Kirstie Alley, who spearheaded a special

Scientology mission to New Orleans after 2005’s Hurricane Katrina. Leah gave \$50,000 toward supplies.

But Leah said when she demanded some proof that actual supplies — and not just Scientology booklets — were being handed out to survivors, she was “given the runaround.”

After leaving Scientology, vengeful Kirstie tried to keep her off “Dancing with the Stars.”

A rep for Kirstie told The ENQUIRER Leah’s claims are “false and easily proven.” **NE**

## Leader David’s lust for abuse

**CULT leader David Miscavige is skewered in Leah’s new book!** The “King of Queens” beauty accuses the Scientology honcho of masterminding the “Hole,” a secret church compound in Southern California, where “fallen executives are kept separated, humiliated and often beaten.” Members were “subjected to punishments like being made to lick bathroom floors or being doused in cold water,” the book said.

# SHATTERED SHANNEN!

**S**HOCKING recent photos of “Beverly Hills, 90210” star Shannen Doherty have friends and insiders worried that the star’s health issues are spiraling out of control.

The 44-year-old actress, who has been battling breast cancer, was snapped on Oct. 28 in a Malibu, Calif., park, working out with a personal trainer — and looking more pooped than pumped during the grueling, two-hour session!

Haggard, pasty and visibly overweight, Shannen looked less than “Charmed.”

Shannen in 1991

As The National ENQUIRER reported in September, Shannen was diagnosed with cancer in March and it has spread to “at least one lymph node.”

Though Shannen was upbeat at the time about eating right, exercising and staying positive, the puffy actress is now virtually unrecognizable as the same woman who posed for “Playboy” three separate times — most recently in 2003.

Many worry she’s pushing herself too hard. “There’s a thin line between fitness and doing too much,” warned one concerned source.

Martyn and Christina want a brother for Sadie

## Aisle be dam & Sean Penn

**T**WENTY-six years after calling it quits on one of the most infamous marriages in celebrity history, Sean Penn and Madonna are ready to remarry!

“They want to retie the knot,” said a source. “Madonna’s ready to be Mrs. Penn again. It might be as soon as next year!”

Hotheaded Sean, 55, and Madonna, 57, were married from 1985 to 1989 — and known as Hollywood’s biggest brawlers of the ‘80s, with multiple public arguments

# BRAVE CHRISTINA'S DOUBLE BABY JOY!

**S**EXY star Christina Applegate is determined to have another baby by any means — and she won't let cancer stand in the way!

The 43-year-old former "Married With Children" star and rocker husband Martyn LeNoble — parents to 4-year-old daughter Sadie — have scrapped plans to have another biological child, and are instead forging ahead with adoption.

"Christina has been inspired by her A-list friends who have adopted, including Sheryl Crow, Charlize Theron and Sandra Bullock, as well as Angelina Jolie," a source close to the couple told The National ENQUIRER.

"There's never been a doubt in Christi-

na's mind that she and Martyn would love to raise another baby. But with Christina's age and her cancer history, her hopes were dimming."

Christina underwent a double mastectomy in 2008 after doctors found cancer cells in her left breast and discovered that she also carries the BRCA gene, which makes her more susceptible to breast and ovarian cancer.

Angelina, who also carries the BRCA gene, underwent a preventive double mastectomy in 2013, and this year she had her ovaries and fallopian

tubes removed. Three of her six children were adopted.

As The ENQUIRER reported in September, after fearing they were too old to be second-time parents, Christina and Martyn, 46, recently had an about-face.

"Christina wasn't sure she and Martyn would have the stamina to handle another newborn. And she was initially turned off by how lengthy and complicated the adoption process can be," said the source.

"But after consulting with Charlize, Sheryl and Sandra, Christina changed her mind. They all raved about how welcoming an adopted child expanded their hearts and worldview. It's a new chapter Christina is ready to dive into."

But she still faces other issues.

"Christina thinks it'd be best for her health and for her expanding family if she played it safe and had her ovaries removed before their little bundle of joy arrives," added the source.

## Madonna to wed AGAIN!

and even allegations of domestic abuse!

"Their first go at matrimony was tempestuous, but no one can say they weren't passionate," said an insider.

In recent days, Sean has looked positively angelic, showing up repeatedly at Madonna's concerts, and the couple got cozy late last month at Santa Monica's romantic Shutters on the Beach Hotel.

Insiders said Madge might give Sean a second chance, but pals fear the duo may

be going too fast for their own good.

"Everyone's concerned Sean's putting on a good face to win her back, but his recent dead-end relationship with Charlize Theron hasn't convinced anyone he's changed his ways," divulged a source.

"Madonna and Sean are dreaming of a happily ever after marriage do-over, with a big blended family," added the source. "They've always been drawn to each other — let's hope it's not a fatal attraction!" **NE**

Glenn Baxter orchestrated the murder-suicide of his helpless family

# CRAZED DAD'S DEATH DRIVE!

**A** MAN hell-bent on murdering his wife and three children — and killing himself — coldly packed his family into an SUV and steered it into an Arizona lake! And the entire terrifying sequence was captured on video!

"It just breaks your heart," said Lieutenant Mike Pooley of the Tempe, Ariz., police. "It's completely horrific what happened."

Seconds before plunging his family into the Tempe Town Lake just after midnight on Oct. 18, Glenn Baxter, 27,

was caught on surveillance video from a nearby condominium complex walking toward the shore and calmly scanning the waters.

But Baxter, who had recently separated from wife Danica, 25, was not admiring nature. He was plotting the most unnatural act possible.

Moments later, Baxter can be seen coolly starting his wife's Nissan Armada and gunning it toward a watery grave for his entire family!

With Danica and their three young kids — Reign, 3, Naziyah, 2, and Zariyah, 1 — helplessly strapped into their

seats, the SUV launched off an embankment at the shore, went airborne and flipped into the water — which was 6 to 7 feet deep.

Three cops and witnesses at the scene dove into the lake in a frantic bid to save the drowning family. The would-be rescuers managed to pull Baxter, Danica, Naziyah and Zariyah out of the car and rush them to a hospital — but they were pronounced DOA.

Reign's tiny, pajama-clad body was pulled from the lake the following morning.

The unthinkable crime left friends shocked.

"I'm just so devastated," said neighbor Monika Lynn Nathan, who said Danica was divorcing Baxter.

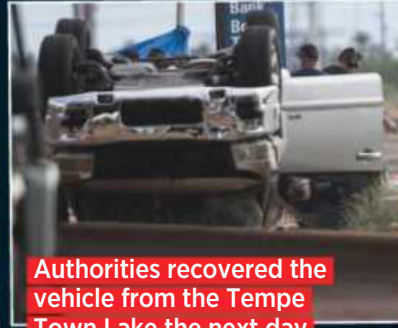

The couple had been battling for custody of the children, with Danica insisting Baxter only see the kids if he took anger-management classes.

Monika said she had urged Danica to get a protection order against her hot-tempered husband. A cellphone cops found near the water supported those claims.

"She was texting his mother, saying, 'Your son is upset,'" said Lt. Pooley.

He added that a gun had been recovered from the car, but it was not known if Baxter had forced Danica to take that final, gruesome death ride. If he didn't, then why didn't Danica flee when her deranged husband was strolling by the shore?

"We have asked that question ourselves about a hundred times," Lt. Pooley said. "We don't know." **NE**

# NICOLE FREAKS OUT... AND STORMS OUT!

**R**EALITY star Nicole Richie is sick of her husband's sleazy behavior — and has finally walked out on her marriage to rocker Joel Madden, a source has told The National ENQUIRER!

Nicole, 34, “freaked out” after photos surfaced showing Joel out with a mysterious young blonde at a pricey restaurant in Beverly Hills. “Nicole exploded and told him that was the last straw,” the insider revealed.

The former “Simple Life” star, who married the Good Charlotte frontman in 2010, fled with pals to Cancun, Mexico, “to decide whether

she’s going to hit him with divorce papers,” the source said.

Joel’s mystery date isn’t his first indiscretion. Nicole previously caught Joel, 36, texting old flame Hilary Duff and flirting with his fellow judge Jessie J on “The Voice” in Australia.

The insider predicts major battles over the couple’s \$26 million fortune and their children, Harlow, 7, and Sparrow, 6.

“The kids are the only reason Nicole is even hanging in there,” said the source, adding that the stressed-out star’s weight has dropped to a scary 85 pounds.

# Tori sends wayward Dean PACKING!

**F**ED-UP Tori Spelling has slapped husband Dean McDermott with a harsh dose of reality — and has thrown him out of the house — after learning he’s a deadbeat dad!

That’s the word from a Tori insider, who said the reality star became enraged when she learned Dean owes ex-wife Mary Jo Eustace thousands in child support for his son Jack, 17. “With all their money troubles, Tori’s furious that Dean owes this to his ex,” the source said. “She was so angry she booted him out!”

Since he was exiled from the couple’s home, Dean, 49, has buried himself in work, most recently taking a role in the Chiller TV show “Slasher,” filming in Canada. Tori, 42, is now playing single mother to their four children.

Tori has taken steps to rein in Dean, including trying for a fifth child, as reported exclusively in The ENQUIRER. “Now she’s soured on that idea,” said the source.

# WIFE-F A LIVI

## Ex-lovers dish

**H**ALLE Berry won’t ever be playing “The Good Wife” — because she turns into a monster after saying “I do,” sources have told The National ENQUIRER.

The 49-year-old beauty — who in 2001 became the first African-American to win a Best Actress Oscar, for her role in “Monster’s Ball” — has wed three times and set up house with a live-in baby daddy.

But she’s made life a living hell for each one of her men!

“Halle has a pattern,” a source claimed to The ENQUIRER. “What starts out as fairy-tale love ends with the guy terrified of her rages and outbursts.”

An insider added, “There’s a side to Halle the public doesn’t see. But her husbands and lovers certainly do!”

The former Bond girl’s first marriage, to pro baseball player David Justice, blew up in 1996 after just three years.

“I always felt I was walking on eggshells with her. Everything I did was wrong,” David later said.

Halle claimed the split left her so devastated that she attempted suicide.

“I was sitting in my car, and I knew the gas was coming when I had an image of my mother finding me,” she said. “To end

my life would be an incredibly selfish thing to do.”

She bounced back to marry singer Eric Benét in January 2001, but in October 2003, she announced they'd split.

In an interview with *The ENQUIRER*, Eric's former girlfriend Julia Riley claimed he was terrified of Halle. “Eric said Halle was very moody and selfish — and always wanted him to cater to her,” Julia said. “He said she started out sweet and sexy, but it wasn't long before she was moody and cold — and sex became infrequent.”

**FRIENDS OF** Halle say she split from Eric due to his constant cheating. “Halle has stood by Eric through all his infidelities and obviously worked very hard to make the marriage work. She finally decided to draw the line and call for a separation,” a friend claimed at the time of the couple's split.

“Halle is one of the nicest people in Hollywood,” said a friend. “She is sweet and approachable. Halle is warm and caring, and is the opposite of a controlling and jealous prima donna. While Hollywood may have plenty of controlling divas, Halle is not one of them.”

The “X-Men” star's live-in romance with model Gabriel Aubry, father to her daughter

Nahla, 7, led to a custody battle after they split in 2010.

Gabriel “refused to let her walk all over him, and it made things worse,” said a source.

Halle then hooked up with French actor Olivier Martinez, 49, while they filmed the thriller “Dark Tide” in 2010.

On Thanksgiving in 2012, rivals Gabriel and Olivier came to blows when Gabriel dropped off Nahla at Halle's Hollywood Hills home.

Halle and Olivier married in July 2013. They have a 2-year-old son, Maceo.

Olivier allegedly shoved a worker at LAX with a child's car seat in January. Days after the employee filed a \$5 million suit against the couple, Halle — worth a reported \$70 million — and Olivier announced their divorce.

An insider added: “Olivier was damned no matter what. Like the rest of Halle's men, he never stood a chance!” **NE**

Sexy Halle plays the heavy in her relationships with men — and ultimately drives them away!

# ROYAL PANIC OVER ANOREXIC KATE!

Fears now there's *much less* of the Duchess

**W**ITH Duchess Kate looking stick-thin on a glittery night out, top royal aides fear her resolve to be "Princess Perfect" has led to anorexia!

The Duchess of Cambridge's weight has plummeted to a dangerously low 98 pounds — and insiders said wearing a glamorous gown to the London premiere of the new James Bond blockbuster, "Spectre," was a "pathetic ploy" to conceal her emaciated condition.

Shocking snaps revealed the 33-year-old mother of two braless in a sheer blue Jenny Packham design that ONLY emphasized her skeletal figure.

"Kate hoped a daring outfit would distract from the sad fact that she's desperately thin," an informed royal source told The National ENQUIRER.

"But she's suffering — big time. I'm told Kate's consulting a leading British medical expert who is treating her for the early stages of anorexia."

The doctor has made several visits to Anmer Hall, on the queen's country estate, Sandringham, where Kate and husband Prince William are raising Prince George, 2, and 6-month-old Princess Charlotte, insiders said.

According to the source, rumors that Kate was battling anorexia "began swirling in society circles soon after Princess Charlotte's birth!"

Despite that, another palace insider divulged that Kate grew determined to craft a "Princess Perfect" image with diet and exercise.

"The sad fact is Kate overdid things," the insider revealed. "Instead of a body to die for, she's ended up with a condition that can be fatal." **NE**

# TRAVOLTA'S WIFE KELLY IN MULTIPLE SUICIDE BIDS!

— SHOCKING CLAIMS

Failed love life drove Preston's attempts to **KILL HERSELF**, claims explosive new book

**J**OHN Travolta's wife, Kelly Preston, has been accused of being a pill-popper who has tried to commit suicide three times!

The National ENQUIRER has learned the couple is furious over a shocking new book containing outrageous new allegations, which they deny.

But in an exclusive interview with The ENQUIRER, author Robert Randolph claimed dozens of sources with intimate knowledge of John and Kelly provided information for his book, "Kelly Preston Unscripted."

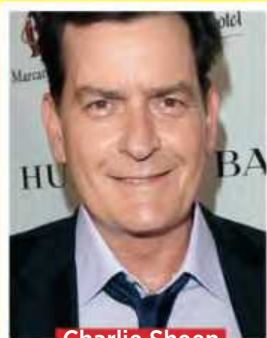

He's been gathering material on Kelly since exposing her husband's predatory homosexual behavior in Hollywood health spas in his 2012 book, "You'll Never Spa in This Town Again."

In the most explosive revelation, Randolph claims his sources said Kelly, 53, has attempted suicide multiple times, both before and during her 24-year marriage to John, 61.

Her first suicide bid came in the late '80s after dat-

ing future "ER" star George Clooney. Kelly "did not take the breakup well at all," and attempted suicide "within a few weeks," said Robert.

Kelly's second suicide try, said Robert, occurred in 1990 when she was engaged to "Platoon" star Charlie Sheen.

In a headline-making incident, reports said Charlie accidentally shot Kelly in the arm. But Robert said Charlie spilled the beans about what really happened at the Malibu home they shared.

"Charlie told me, 'You know Kelly shot herself, and I was sure she had finally offed herself,'" Robert said. "He claimed it was practically a common occurrence for Kelly to announce that she was going to kill herself. He emphasized that the episodes were usually motivated either by her career, love life or looks."

Robert said Kelly's third suicide bid came when she tried to overdose on pills after Maroon 5 singer Adam Levine spurned her following a quickie affair.

# PARTY MAN PERRY DAZED & CONFUSED!

Matthew has fallen off the wagon, pals said

**F**ORMER "Friends" star Matthew Perry has fallen off the wagon in a big way — and pals fear he's headed for a tragic end!

The National ENQUIRER obtained shocking pictures that were taken at Los Angeles International Airport on Sept. 30. Other recent photos show him hidden behind sunglasses.

"Matthew's appearance is alarming! His face is bloated, his eyes look like slits and he may have fallen off the wagon," a source told The ENQUIRER. "After his past history, his friends can only fear the worst."

Insiders say that Matthew — once worth a whopping \$70 million — was on the verge of going broke and heading back to rehab.

The 46-year-old actor is stressed over his "Odd Couple" reboot and the worry could send him back to his past demons of booze and pills, sources said.

Matthew recently sold his Malibu mansion, which he was using as a sober-living center called Perry House.

The house had been listed for over \$12 million and Matthew netted \$10.65 million from the sale.

Added the source: "No one wants to see him return to his partying ways!" **NE**

By the way, “Little Red Wagon” singer Miranda was nominated for four awards — Entertainer, Female Vocalist, Musical Event and Music Video of the Year.

Six months after their marriage, lingerie model Amanda Wyatt claimed she’d slept with Keith during his engagement to Nicole. # BOY GEORGE'S GAY ROMP WITH PRINCE!

He bragged about it on 'The Voice'

**D**ID they or didn't they? Only Boy George and Prince know for sure — but the flamboyant "Karma Chameleon" singer has claimed he jumped in the sack with the pint-sized "Purple Rain" star!

Boy George, 54, is now a coach on the British version of the reality TV singing competition, "The Voice."

And he reportedly shocked

the show's live audience recently by announcing he had sex with fellow '80s icon Prince!

The Culture Club star boasted about singing with R&B great Smokey Robinson when fellow coach and British pop star Paloma Faith said, "If we're throwing big soul names out there, I've performed with Prince."

That's when Boy George

dropped his bombshell, declaring, "Forget that, darling. I've slept with Prince!"

But that's not the kind of pillow talk Prince, 57, wants to hear — since he's now a devout Jehovah's Witness, and his religion considers homosexuality a sin!

After "The Voice" audience reportedly erupted, Boy George immediately backtracked, saying he had

a poster of Prince on his bedroom wall.

And a spokesperson for "The Voice" is also insisting the bold statement "was a joke."

That's likely a relief for Prince — who, just a few years ago, held up a Bible in an interview and said, "God came to Earth and saw people ... doing it with whatever and ... He was, like, 'Enough!'"

## Bill Clinton linked to **UNDERAGE SEX FEST ON 'ORGY ISLAND'**

**E**X-PRESIDENT Bill Clinton's horn-dog antics are threatening to torpedo his wife Hillary's bid for the White House!

The National ENQUIRER has learned Bill's been named as a possible participant in a depraved sex romp with underage girls on the "Orgy Island" owned by his billionaire buddy, Jeffrey Epstein!

In a shocking twist, famed O.J. Simpson attorney Alan Dershowitz couldn't deny there's a "possibility" Bill, 69, took part in the sleazy lust fest.

Epstein's alleged "sex slave," Virginia Roberts accused Bill

of visiting the convicted pedophile's notorious island near St. Thomas in January.

She's suing the Justice Department for how it handled Epstein's plea deal. Her attorneys are suing Dershowitz for defamation, and now, Dershowitz is addressing the claims head-on in his own deposition in that case, taken on October 16.

He testified Virginia had previously "described in great detail a dinner with Bill Clinton and two underaged Russian women who were offered to Bill Clinton for sex."

Virginia claimed the incident

occurred in 2002, Dershowitz said, and while he insisted he believed her story is a "lie," he admitted he couldn't prove it's a fib. "There is the possibility, which I don't personally believe to be true, that he (Clinton) was on the island," Dershowitz admitted.

Meanwhile, as The ENQUIRER reported, Bill hitched rides on perverted tycoon Epstein's private Boeing 727, which Virginia has claimed was equipped with a bed for high-altitude orgies! **NE**

"Angie thought she was doing the right, responsible thing, but now she faces a whole new set of dire consequences," a family insider told The ENQUIRER.

In a heartbreakingly candid confession, the 40-year-old mother of six admitted the surgery to remove her ovaries as a preventative measure has triggered early menopause.

Menopause typically occurs in women after age 45 — and the national average is 51 years old, say experts.

**A 2009 STUDY** obtained by The ENQUIRER from medical experts at the famed Mayo Clinic found that women who go through early menopause "experience an increased risk of overall mortality, cardiovascular diseases, neurological diseases, osteoporosis" and other ailments.

That's deeply troubling for Angie, who famously had a double mastectomy in February 2013 after learning she carries the gene mutation BRCA1, which predisposes her to breast and ovarian cancer.

Tragically, her mother, grandmother and an aunt all died early from related cancers.

The "Maleficent" star had more surgery to remove her fallopian tubes and ovaries in March after a blood test found markers that "could be a sign of early cancer," a

But she refuses to slow down; and while she's so underweight she suffers dizzy spells, Angie is insisting on traveling to Cambodia to direct her next film, "First They Killed My Father."

Another informant worries Angie is a walking time-bomb because of other looming health problems.

"Sometimes she goes a whole day without eating a solid meal, and other days Angie sleeps until late afternoon because she's so worn out," the pal said.

## Letter of the week

### Love in Tinseltown

Pierce Brosnan and Keely Shaye Smith — what a beautiful and happy married couple (“Keep the Curves,” Oct. 19). My favorite James Bond can’t find any flaws with his gorgeous wife and says “no way” to the idea of liposuction. You can tell he’s always thought she is perfect.

—Carolyn C.  
Martinsburg, W.Va.

Win \$50 for the **LETTER OF THE WEEK** and \$25 for every other letter we publish.

### Bungling Ben

I thought in Ben Carson I had found my candidate for the 2016 presidential election (“Ben Left Sponge in Patient’s Brain!” Oct. 19). Then I read your article concerning his surgery record! I am now back to square one.

—Ruth S.  
Delran, N.J.

### World’s worst mom

Mommy dearest Kris Jenner should be protecting her daughter Kylie (“Kylie’s Drug Despair,” Oct. 19). But instead of being a role model, she’s satisfying her own selfish needs and jeopardizing her family.

## Mermaid Reunites Long Lost Lovers

*The perils of the sea are no match for the mermaid’s treasure known as aquamarine.*

Ever since ancient times, sailors have sworn by aquamarine as a talisman and protector for anyone traveling on the open water. According to legend, aquamarine originated in the treasure chest of mermaids, and has since ancient times, been regarded as “the sailor’s lucky stone.”

We’ve heard the legend of men heading out to sea with an aquamarine amulet around their neck and once they safely return, that same stone becomes a ring for their sweetheart. That romantic tradition is carried forward in our stunning **Aquamarine Ice Ring**.

Derived from the Latin words for “water of the sea,” the refreshing blue aquamarine gemstone is embraced by a polished, .925 sterling silver setting and surrounded by shimmering white DiamondAura®—our signature lab-created stone. You get the full effect of the aquamarine in a stunning 1.40 carat emerald cut, which floods the icy blue color with waves of brilliant light.

Aquamarine has excellent clarity and transparency. In fact, a member of the beryl family, aquamarine is a sister of the rich green emerald. And, with its gorgeous baby blues, it’s easy to see why the emerald may get a tad green with envy.

You can easily find one carat aquamarine rings for over \$5,000 at Fifth Avenue jewelers. Bringing you luxury for less is our mission at Stauer, so we priced our Aquamarine Ice Ring so you can make a splash without shelling out too many clams.

No need to test the waters. Slip this remarkable ring on her finger and create a legend of your own without risking the perils of the sea.

**Your satisfaction is 100% guaranteed.** Wear the Aquamarine Ice Ring for 60 days and if you’re not completely delighted, send it back for a full refund of your purchase price. So, go ahead and make a splash!

# WHAT THE STARS

From scary skinnies  
to jelly-bellies,

The **ENQUIRER**  
brings you all the  
latest figures

**T**HEY work out with trainers for hours a day — starve, gorge and get their fat sucked out by top surgeons! But NOBODY knows how many pounds the stars carry around — except The National ENQUIRER.

From the crypt keepers to the celebrity beach balls, we roll out the REAL skinny (and not so much) on the stars when they hit the scales!

**80  
POUNDS!**

**TARA REID**

"I'm just a skinny girl and I do eat! This is old news!" the "Sharknado" star, 40, has said. But her skeletal frame still frightens doctors. "She looks like driftwood," said Dr. Stuart Fischer.

**85  
POUNDS!**

**NICOLE RICHIE**

"I work out and get lots of sleep, so I feel great," said Nicole, 34. "I've taken huge leaps." But the sticklike mom of two seems to be leaping backward. "She is at a scary level of skinny," warned Dr. Lyle Back.

**90  
POUNDS!**

**AMAL CLOONEY**

The tiny lawyer, 37, has been wasting away to keep up with hubby George Clooney's fawning Hollywood hotties. "She started starving herself before the wedding and hasn't stopped since," an insider claimed.

**90  
POUNDS!**

**GIULIANA RANCIC**

"People always love to tweet, 'Eat a burger.' I eat burgers. It's not working," the E! host and breast cancer survivor, 41, said of her skeletal frame.

# S REALLY WEIGH!

**160  
POUNDS!**

## CAITLYN JENNER

"The one thing I'm really shocked about is how skinny you are," Kim Kardashian told her ex-stepdad, 66, on E!'s "I Am Cait." Really, Kim? THAT'S what shocked you?

**264  
POUNDS!**

## ED O'NEILL

The "Modern Family" man, 69, bounced around Santa Monica recently, giving the world a horrifying reminder of how important it is to get regular exercise — and a shirt.

**243  
POUNDS!**

## MAMA JUNE SHANNON

This massive mama, 36, made a big splash on "Here Comes Honey Boo Boo" in 2012 at a frightening 400 pounds! She's since hired a celebrity trainer and dropped 60 pounds, bringing her down to the "morbidly obese" category.

**340  
POUNDS!**

## GÉRARD DEPARDIEU

The massive Musketeer, 66, had quintuple bypass surgery and drinks 14 bottles of wine a day! "His face is ruddy, indicating liver damage. He looks like a beach ball," said Dr. Fischer, author of "The Park Avenue Diet."

## REALLY WEIGH!

**300 POUNDS!**

**CHEVY CHASE**

Despite dropping 40 pounds in 2014, Chevy, 72, gained it back this year. Combined with a 2014 heart scare, his weight swings are a recipe for disaster. "He is at risk for a heart attack every minute," said Dr. Fischer.

**170 POUNDS!**

**PAULA DEEN**

"I never gave up butter," confessed Paula, 68, of losing 35 pounds for "Dancing With the Stars." But Dr. Fischer sees her dancing with disaster: "She's packing on the pounds again."

**127 POUNDS!**

**JANE FONDA**

Almost 35 years after working "9 to 5," the 77-year-old is looking better than ever on Netflix's "Grace and Frankie." Dr. Fischer speculated on her secret: "She must be using her old exercise videos!"

**124 POUNDS!**

**CHRISTIE BRINKLEY**

Wondering how the still-gorgeous "Uptown Girl" snagged "Small Town" boy John Mellencamp? "I haven't touched a piece of meat since I was 12. I also got hooked on yoga and SoulCycle," shared the sexy 61-year-old.

John in 2008

**197  
POUNDS!**

**JOHN GOODMAN**

Gutsy Goodman, 63, just dropped 103 pounds, but he too has been an up-and-down dieter, peaking at 400 pounds. "This brings risk of heart and kidney failure," cautioned Dr. Fischer.

**185  
POUNDS!**

**CHAZ BONO**

"Physically, my body feels just so much better," Cher's son, now 46, said of his 65-pound weight loss in 2013. But, these days he's packing on the pounds again. "You can't fool Mother Nature," Dr. Fischer said.

Roseanne in 2011

**135  
POUNDS!**

**ROSEANNE BARR**

The belly-buster dropped a couple of Kardashians after 1998 gastric bypass surgery, but fluctuated until a 2011 ENQUIRER story gave her a weighty wake-up call. "Now she's an exercise fanatic and a vegetarian," a source added.

**170  
POUNDS!**

**MELISSA MCCARTHY**

The "Ghostbuster" scared 40 pounds from her frame last year, only to gain it back ... and lose it again THIS year! "These swings can damage blood vessels and promote heart disease," said nutritionist Lisa DeFazio.

### MATT DAMON'S \$140 MILLION MARRIAGE CRISIS!

**M**ATT Damon and wife Luciana are on the verge of a marital smack-down on the eve of their 10th anniversary — and it's Ben Affleck's fault!

The actor, 45, and former bartender Luciana, 39, are butting heads over best friend Ben's treatment of Jennifer Garner, insiders have reported.

"Luciana was never the jealous type," revealed a source. "But after Ben's abominable behavior and allegations of infidelity, she's

afraid the same thing could happen to her."

Making matters worse, Matt has stuck by Ben — while Luciana's firmly on Team Jennifer!

Matt and Luciana enjoy one of Hollywood's most solid marriages, but the Ben-Jen battle has left them divided, pals said.

And while Matt refuses to abandon Ben, he's desperate for Luciana to stop worrying. "He reassured her that he loves her," the source shared, "and said he wants them to grow old together."

### JLAW FEELS 'USED' BY CHRIS!

JENNIFER Lawrence is fuming because she believes Chris Martin considered her a rebound romance to get over Gwyneth Paltrow.

"She now knows she was just a fling," a pal close to the former couple told The National ENQUIRER.

"She thinks Chris wasn't looking to get serious, even though he told her he was."

Chris, 38, had issues with the fact that he's 13 years older than

### EMILIO WANTS

FORMER Brat Packer Emilio Estevez is trying to woo his '80s lady Demi Moore back into his life!

"Emilio was happiest when they were engaged from 1985 to 1987," an insider has exclusively revealed to The ENQUIRER.

"He thinks he blew it then and wants to prove that he can be a great husband now!"

Now 53 and a father of two, Emilio reportedly split with writer Sonja Magdevski last March.

## FIRE FALLON & bring me back,

**F**ORGOTTEN funnyman Jay Leno is urging NBC bosses to ditch hard-partying "Tonight Show" host Jimmy Fallon — and he wants to reclaim the job!

The veteran late-night star still has friends in high places at the rainbow network and would jump at the chance to host the show again.

"He has been telling them that Jimmy risks wrecking the show's reputation with his

out-of-control antics," dished an insider. "He wants them to fire Fallon before he does any more damage. And he's made it clear that he's prepared to step in to save the day!"

TV bosses hit the panic button when Jimmy, 41, ended up in a hospital for the second time in four months, this time after a day of boozing Oct. 24.

In the latest incident, the comedian was attending an event in his honor at the pres-

tigious Harvard University.

After reportedly glugging rum- and vodka-based cocktails, Jimmy fell and cut his hand while clutching a bottle of Jägermeister. Jimmy, who has two young daughters with long-suffering wife Nancy Juvonen, also recently posed for photos with brunette hotties he met in a bar.

"Nancy is growing tired with his behavior and is threatening to divorce him if he doesn't

Chris appears to have a new gal pal, Annabelle, left

Jennifer, added the insider. "He never introduced her to his kids. That hurt her badly." Chris already has a hot new fling with Annabelle Wallis, 31. The pair was recently caught making out in Paris!

## DEMI DO-OVER!

Emilio pines for '80s glory, left, with Demi

"Emilio knows he let a good gal get away" in Demi, the source explained.

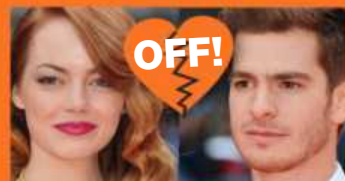

And while Demi, 53, has stayed friendly, she's maintaining her distance — for now.

## Who's Doing Who?

New York Yankees legend **Derek Jeter**, 41, has hit a homer with model **Hannah Davis**, 25. They're engaged, sources said.

**Emma Stone**, 27, and **Andrew Garfield**, 32, have split ... again. The couple had separated and reunited several times.

clean up his act," said a friend of the star, who's worth an estimated \$25 million.

"He needs to start realizing that he has a wife and kids — and stop acting like he's an irresponsible frat boy."

Jimmy has a Jekyll and Hyde personality, insiders said.

"While he likes to portray himself as a family man and doting dad, he frequently dumps his wife and goes out on booze benders," revealed the pal.

"And he seems to mix in circles where cocaine is used.

"Jimmy loves the bright lights of New York, but he is spiraling out of control."

But a rep for NBC countered: "Like everyone at NBC, Jay Leno is 100% supportive of Jimmy Fallon and has never intimated on any level a desire to return as host of 'The Tonight Show.'"

Jay, 65, made a surprise appearance Oct. 6 on Jimmy's show. "That reminded Jay how much he missed hosting the show," said the insider. **NE**

# FRAIL DORIS

## 'on her last legs'

'Everybody Loves Raymond' actress'  
**TERRIFYING TUMBLE**

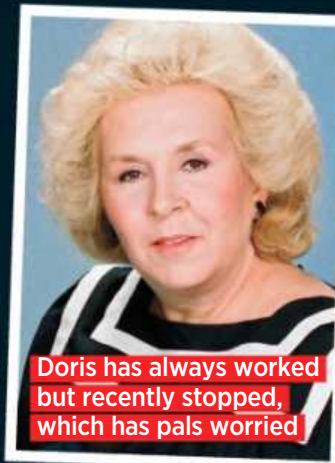

**D**ORIS Roberts, star of "Everybody Loves Raymond," suffered a frightening collapse outside a popular restaurant in Los Angeles — just before her 90th birthday!

Now friends and family fear the worst for the once-brassy actress.

A frail Doris, whose 90th birthday was Nov. 4, was leaving a luncheon at Craig's in West Hollywood, when she suddenly pitched forward and nearly crumpled to the ground.

"It was very frightening," an eyewitness told The National ENQUIRER. "If she didn't have someone there to catch her, she surely

Doris has always worked but recently stopped, which has pals worried

would have fallen and broken her hip!"

The source added: "Doris looked to be on her last legs. She was helped to a bench outside where she waited for her driver.

"Poor Doris is just a shadow of the vibrant TV star everyone remembers from 'Everybody Loves Raymond.' "It's sad to see her this way."

Doris, who played meddling mom Marie Barone on the sitcom, needed a cane and a staffer to get to her car.

"Everybody's worried about Doris," said a pal. "She's continued to work until recently, but now she has trouble getting around. She may not see 91!" **NE**

# ALL NEW! Your HEALTH

BY DR. STUART FISCHER

NEWS YOU CAN ALWAYS USE!

## HOW TO KNOW IF IT'S A COLD OR FLU

WHEN you're hacking and wheezing, figuring out whether you have a cold or the flu is important. While a cold can make you feel crummy for a couple of days, the flu will flatten you for weeks! Cold symptoms begin with a sore throat, which fades in a day or two. You'll have a runny nose, but no fever. Flu symptoms are more severe and persistent. Like a cold, the flu begins with a sore throat and congestion, but it's often accompanied by a fever, headache and cough.

## Hot new BUZZ about BEER!

**H**ERE'S something to toast! According to a sex expert, drinking a couple of brewskis before getting intimate will give your guy a better bedroom buzz! In her recently published book, "The Married Sex Solution: A Realistic Guide to Saving Your Sex Life," Dr. Kat Van Kirk explained that a nip before nookie will help increase a man's endurance, boost libido and produce more intense erections with greater stamina. She also claimed hitting the sauce calms the stomach, adding: "This means it can help fortify your overall health and be better on your stomach so you won't feel sluggish during sex." Who's got the next round?

## Limiting your risk of BREAST CANCER

IT'S the most common form of the disease in women worldwide, but there are ways to reduce your breast cancer risk factors. Research shows gaining weight in adulthood or being overweight after menopause increases the risk. Exercise and good diet are the answer, according to Dr. Otis Brawley, chief medical officer for the American Cancer Society. He also warned too much booze can increase the risk of breast disease by 1.5 times. So get in shape, ladies! Research shows your lives may depend on it.

# TIM ROBBINS BEHIND BARS!

**REAL**life

It's the parole of a lifetime — Tim's teaching convicts to act!

He's teaching **TOUGH CONS** to get in touch with themselves through acting

**T**IM Robbins is back in the slammer — to teach hardened criminals the art of acting!

The Oscar-winning actor is best remembered as the brutalized and desperate-to-escape con, Andy Dufresne, in “The Shawshank Redemption.”

In real life, Tim was thrilled to return to prison, teaching theater workshops in medium-security facilities in California.

“It creates this place ... in prison, where people can step outside of what's expected of them and try to explore new emotions, create new realities and cre-

ate new truths for themselves,” Tim said.

He and his theater company, The Actors' Gang — which has counted John Cusack and Helen Hunt among its members — have held weekly sessions with a dozen or more inmates for the last nine years.

“This program allows for the possibility of different choices in life,” he said.

So far Tim and his team have worked with 500 or so inmates, and he said he's

Tim in  
“The Shawshank  
Redemption”

“They're actually putting on makeup,” Tim said of the actors' commitment

only aware of two who have returned to prison after their release.

Tim, 57, added the program isn't so much about discovering the next jailhouse Robert De Niro as it is to give the inmates the personal tools they need to stay out of jail.

“There are enough unemployed actors already,” he joked.

## LOOK YOUR BEST ON A BUDGET!

**O**UT of money for clothes because you'd rather pay your rent? Don't sweat it. It's possible to look like a million bucks without spending a fortune.

The great news is, according to style expert Dawn Del Russo of [dawndelrusso.com](http://dawndelrusso.com), money isn't everything when it comes to dressing with style. It was his charismatic turn as a sleazy coke dealer in 2004’s “Layer Cake” that shook and stirred James Bond producers into offering him the role.

### 003 HE’S GOT BALLS!

Daniel was NOT faking the pain in a torture scene from 2006’s “Casino Royale” when his naughty bits were getting battered by an evil baddie played by Mads Mikkelsen.

### 004 HE’S A GOOD SPORT

Daniel did some serious damage as a schoolboy rugby player with the Hoylake Rugby Club in his native England.

### 005 OO-NO!

Though he’s blown away scores of bad guys and audiences in four different Bond films, Craig admits he’s “terrified of guns!”

### 006 BOND CERTIFIED

Craig says his all-time favorite Bond girl was former “Avengers” star Diana Rigg because “she was nearly bigger than the movie!”

### 007 CRAIG GIRLS

Before marrying Rachel Weisz, Craig was linked to steamy actresses Sienna Miller and Heike Makatsch and supermodel Kate Moss.

# All The BUZZ

## Fosters' fire sale

**O**NLY a Real Housewife of Beverly Hills could sell a Malibu estate for more than \$19 million — and call it a loss!

That's the sad story of Yolanda Foster, though. The reality show star, 51, and her music maven husband, David, 46, originally wanted \$27.5 million for their Mediterranean mansion.

But it looks like someone got a great deal on the private estate with an incredible ocean view. Hopefully the new owners have a large family because the property has six bedrooms, nine bathrooms, lots of open living spaces — and even a citrus orchard that provides fresh orange juice!

## Abe Vigoda: \$60-a-minute man

**H**E'S 94 years old, but Abe Vigoda still has the clout to get \$60 for posing for photos!

All The Buzz caught the beloved actor at a convention, making a very limited appearance. He still had more than 50 fans lining up to get their picture taken with the "Barney Miller" star.

"He's too frail to sign autographs, and tires easily," explained Abe's rep. "But Abe loves meeting people and getting paid for it!"

## McConaughey packs on the pounds and loses locks for tubster role!

**D**ROPPING more than 50 pounds for "Dallas Buyers Club" nearly cost Matthew McConaughey his eyesight in 2013!

Now, he's cutting off his hair and packing on the fat — adding 30 pounds of flab for his latest role as a porky dork in the film "Gold." Matthew has ballooned to 220 pounds, and friends fear his body might not be able to take the massive weight gain.

"Matthew's put his body through hell, taking the weight off and then putting it back on," said a pal. "With all this yo-yo dieting, Matthew is on a slippery slope!"

## Jen gets her own baby whisperer!

**B**LOCKED emotions are blocking a baby, said Jennifer Aniston!

The 46-year-old star, newly wed to Justin Theroux, 44, is very confident she'll have a kid now that she's hired a guru for her birth canal!

"Jen's done everything to conceive a child, but nothing worked," a source told All The Buzz. "So now she's hired a baby whisperer for a spiritual approach!"

Jen's advisor said the star's problems aren't physical, either! "This woman is helping Jennifer work through 'emotional blockages' that might be causing problems," dished the pal. "She's going to release Jen's energy chakra points through Reiki massages, where you hover your hands over a body to release vital energy."

## RIP, JAYMES of Bartles & Jaymes

**A**N ICON of television commercials passed away on July 28, but the family only just now announced the death!

Dick Maugg was beloved to TV viewers as Ed Jaymes, the silent and taller half of the

two fictional pitchmen selling Bartles & Jaymes wine coolers. He was 83.

We'll sure miss you, Dick!

## Classic ENQUIRER

"IN THE '80s," said Drew Barrymore during a recent appearance on "The Today Show," "I was on the cover of The National ENQUIRER, and that is just the worst feeling ever!" America also felt really bad about learning the 14-year-old star had attempted suicide while trying to recover from various addictions. "It gave me a wake-up call," Drew added.

# CRYPTOGRAM QUOTES

## FAMOUS QUOTES FROM YOUR FAVORITE PEOPLE

Cryptograms are coded messages. To solve the Cryptogram, each coded letter must be replaced by the answer letter in the box overhead. When you solve the code for a letter, write the answer letter in the box everywhere the coded letter appears. Look for common words and letter patterns to break the code. Words like AND, I, THE and A are found frequently. Common word endings are ING, S and E.

## HOW TO PLAY

**You must fill in every empty square in the Sudoku grid. There's no right way of going about this, but there is only ever one solution. The big grid is split into nine mini-grids. There are nine rows running left to right and nine columns running down. In every row, you must have each of the numbers 1, 2, 3, 4, 5, 6, 7, 8 and 9. These can be in any order. The same applies to columns and mini-grids: place every number 1 through 9 in each column and in each mini-grid.**

The cubs and kids are almost too cute to bear at the Chengdu panda party

Cute cubs enjoy  
**first day of  
kindergarten**

# Schooltime for BABY PANDAS!

**I**T'S been sheer panda-monium at the Chengdu Research Base in China, where 15 cuddly new cubs have had their first day of "kindergarten!"

The adorable fur balls were bred by artificial insemination and graduated from the breeding center in a ceremony 100 days after their birth.

This group, including six sets of twins, has been lovingly nurtured by staffers through their fragile first months.

The someday-to-be-giant cuties are on the endangered species list, with less than 1,900 giant pandas currently living in the wild, according to

the World Wildlife Fund.

The Chengdu center was established in 1987 to bulk up the global population. It started with just six pandas rescued from the wild. Over the last 20 years, it's successfully bred 172 newborns, and today loans out the animals to top zoos all over the world!

These cubbies weighed only 4 ounces at birth, but will crush the scales at an average 250 pounds and stand up to 3 feet tall when fully grown.

Until then, these tiny tykes are the black-and-white apples of their teachers' eyes, graduating to the top of this week's Odd List! **NE**
